

Homeless Youth Training Registration Form

The COHHIO Youth Empowerment Program will be hosting trainings on homeless youth. This training will satisfy the OH. We also will be providing CEU hours to social workers that register and attend.

This training will be of assistance to any service provider that works with youth under 18, service providers working with adult (over 18) populations, government employees, case workers, advocates, and others who work with homeless and transitional youth between the ages of 16-24. We will cover topics from the list below.

Topics to be covered*:

- Youth Development
- Incorporating Youth into Adult Services (18+)
- Serving Teen Parents
- Youth Presentations
- Educational Rights of Homeless Youth
- State and Federal Resources

* Specific topics will vary for each city.

The trainings will be held at the following locations and on the following days. Please send in registration forms in at least one week prior to your training. **This training is free for the first two staff members from each agency that attends.** After the first two staff members, we ask that each additional staff person pays \$10.00 to cover the cost of lunch.
