

**Hopping Mad at the Effectiveness of our General Assembly?
Join the Bullfrog Brigade!
*Demand that our elected officials return to work!***

By popular demand, the BULLFROG T-shirt is now available for sale!

If you're hopping mad about a General Assembly that left town before coming to grips with foreclosure, payday lending, redistricting and anti-discrimination legislation, among other important legislation, then join the Bullfrog Brigade!

Order your **Return to Work** T-shirt today! It reads, "**My lawmaker went to the Statehouse and all I got was this Bullfrog,**" in reference to HB 393, a bill that passed June 3rd making the Bullfrog the state frog and the Spotted Salamander the state amphibian. Nothing against the Bullfrog, but advocates feel there are a few issues more pressing than naming the state frog.
